# DURALAM INTEGRA™

The **Duralam Integra™** Eco-Load Laminator is feature packed. We all know how valuable time is—the **Duralam Integra** shines with 5 minute warm up and capacity to handle up to 1000' rolls—double the roll length; half the load time. Industry first—variable auto-shut off function. Safety switches on all key components and hidden adjustable tension control for that extra piece of mind. Other outstanding features include variable speed with an ultra slow speed setting for easy feeding of small projects and less wastage. Extra long 13' power cord and rear slide cutter finishes off this smart packaged design. Upgrade your purchase with available options: extended warranty plans, safety power lock, rolling cart with bottom shelf and locking castors, footage counter, and premium low melt films.

**Control panel with adjustable heat and speed control. Reverse switch.**

**Eco-Load mandrels that accepts up to 27" wide laminate film.**

**Adjustable Guides.**
