

EUROCUT 52 PRO E

20.50" Automatic Electric Programmable Guillotine

EUROCUT 52 PRO E

Introducing a new level of strength and performance to the printing industry, the Eurocut guillotines have been manufactured with an emphasis on operator convenience and productivity. The user-friendly, fully programmable touch screen with customized software and up to 100 jobs programming allows for storage of any cut job. Its many safety features include an IR safety curtain on the front table, a safety cover on the rear table, electronically controlled two-hand operation, and automatic blade and clamp return from every position. The Eurocut 52 PRO E comes standard with adjustable clamp pressure, false clamp, two knives, light curtains and a stainless-steel bed, side tables are optional. This electric/mechanical paper cutter offers faster cycle times and quieter operation when compared to other leading brands.
