GW 8000E

Heavy duty construction makes the GW 8000 ready to run all day, every day. A 100-job memory provides a fast job change over. Microprocessor controls give the operator the ability to position up to 100 numbers per head, anywhere on each sheet. Feature for feature, spec for spec, it is the best value in the industry. If productivity warrants it, the 8000 can be easily upgraded to an 8000P or 12000 on your floor with limited downtime.

ADDITIONAL FEATURES:

- 8,000 standard-size sheets per hour
- 100 job memory to store numbering jobs
- Up to 100 numbers per head per sheet
- Up to 2 heads
- Crash number up to 10 part carbonless
- Feed sets unglued or glued side
