

MAXCUT

HEAVY-DUTY MANUAL GUILLOTINE

Available in
Canada

Made in
Taiwan

The Heavy-Duty Manual Guillotine is a quality, cost-effective solution for all light-production cutting needs. With a cutting width of 19.1" and depth of 18.17", it can cut a full ream of paper at once. Features include a wheel-driven paper clamp for added pressure, a cushioned steel hand lever for smooth cuts, and an easily adjustable back gauge. Safety is prioritized with protective shields and a lock that prevents blade lowering when the front cover is open. Complete with a resharpenable blade, cutting stick, and stand, it's ideal for small print shops, schools, and copy shops.
