

# PT 335CKF

## FOLD • CREASE • PERF • SCORE

The PT 335CKF is a complete crease/perf/fold finishing system designed to give users professional quality finished pieces while eliminating inefficient set-up time. The PT 335CKF system consists of our fastest most feature rich creaser, the PT 335A Plus Multi and the PT 33IKF independent knife folder, together giving you the most versatile creaser/folder system on the market. It features; 4" vacuum pile feeder, auto sheet measurement, a 6" color touchscreen, interchangeable creasing/perfing dies with 6 different creasing widths, as well as the ability to add up to 4 strike perf enabling partial perfs in both directions for "T" or "box" perfs.

### FEATURES

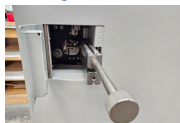

- No limitations between creases/perfs
- Self adjusting automated smart delivery
- Three years parts electronics warranty
- Automated or manual set up for custom jobs
- Fold bypass tray for creasing/perfing without folding
- Partial perforation in Both directions

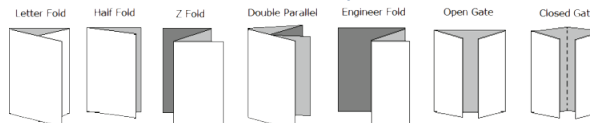

Partial Perf

Interchangeable Die Tool

Seven Fold Options
